_____, Engineer.

APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit is issued subject to all prior rights on the source. The amount of water herein granted is placed at one (1.0) cubic foot per second, notwithstanding the fact that an inspection on the ground shows the flow of the source to be but a fraction of that amount, thus giving the applicant opportunity for development. The State reserves the right to regulate the use of the water herein granted at any and all times. It is distinctly understood that applicant agrees to the terms herein contained.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed One (1.0) cubic foot per second.

Actual construction work shall begin on or before July 8, 1917.

Proof of commencement of work shall be filed before August 8, 1917.

Work must be prosecuted with reasonable diligence and be completed on or before July 8, 1919.

Application of water to beneficial use shall be made on or before July 8, 1920.

Proof of the application of water to beneficial use must be filed with State Engineer on or before August 8, 1920.

Proof of labor filed AUG - 1 1917 -- WITNESS MY HAND AND SEAL this 8th, day

Map filed NOV - 6 1917

of May, 1917.

Wm Kearney
State Engineer.
